

6th International Symposium on Otosclerosis and Stapes Surgery

25th – 27th June 2025 in Rostock, Germany

Program

Host

Univ.-Prof. Dr. med. R. Mlynski

Department of Oto-Rhino-Laryngology, Head and Neck
Surgery „Otto Körner“ Rostock University Medical Center

Venue

Invitation

Dear colleagues,

It is a great pleasure to cordially welcome you to the 6th International Otosclerosis Symposium in Rostock!

Otosclerosis especially stapes surgery is one of the most fascinating aspects in Otology. I am sure sharing current knowledge and scientific results in a comprehensive meeting will be both fun and forward the management of the disease at the same time. Structured sessions will cover a broad spectrum of current scientific and clinical topics: pathophysiology, audiology, prosthesis design over surgery around the world.

This symposium has traveled from Switzerland to France over Hungary to Poland. The latest meeting was hosted in Brussels in 2023. It is a great honor to welcome you from 25th through 27th June 2025 in Rostock, Germany.

Rostock is situated in the North of Germany, with the oldest University in the Baltic Region and the oldest University Department for Otorhinolaryngology in Northern Europe.

Take the opportunity to exchange experiences with scientists, surgeons, clinicians, engineers and audiologists who have a genuine interest in all aspects of otosclerosis and explore the Baltic!

I welcome you to the
6th international symposium in Rostock.

Robert Mlynski
Univ.-Prof. Dr. med. Robert Mlynski

Here it is

Wednesday, 25.06.2025
Lecture hall, Clinic for Orthopaedics,
Doberaner Str. 142, 18057 Rostock

Thursday & Friday, 26. & 27.06.2025
Aula, University of Rostock
Universitätsplatz 1, 18055 Rostock

Wednesday – Program

25.06.2025 (Lecture hall, Doberaner Str. 142, 18057 Rostock)

08:15	OPENING REGISTRATION DESK	
09:00 – 12:00	3D LIVE SURGERY • Chair: J. Müller & S. M. van Bonn-Ytrehus	
	Surgeon: R. Mlynski; Rostock, Germany	
	MED-EL passive middle ear implants	M. Schweißgut, MED-EL
12:00 – 13:00	LUNCH	
13:00 – 14:00	MED-EL hands on workshop & pMEI-simulator	
	M. Schweißgut, U. Steinhardt, S. Cass, E. Schimanski, S. van Bonn-Ytrehus & A-L. Saur	
14:00 – 16:00	OPENING LECTURES • Chair: R. Mlynski & P. H. Skarżyński	
	Middle ear synchrotron	S. Agrawal; London, Ontario, Canada - online
	Embryology of the stapes	M. Tóth; Pécs, Hungary
	Imaging of otosclerosis – from basic to pitfalls	S. Langner; Greifswald, Germany
	FREE PAPERS	
	Rethinking Imaging in otosclerosis: New perspectives with photon-counting CT	K. Rak; Wuerzburg, Germany
	Radiologically assessed stapes footplate thickness and audiologic outcomes in patients with otosclerosis	J. Müller-Goebel; Zurich, Switzerland
	Machine learning method for prediction of hearing improvement after stapedotomy	J. Rebol; Maribor, Slovenia
	3D stereo imaging in stapedotomy	F. Lausch; Rostock, Germany

Thursday – Program

26.06.2025 (Aula, University of Rostock Universitätsplatz 1, 18055 Rostock)

08:00 – 08:30	WELCOME
	City of Rostock
	University of Rostock
	Prof. Dr. Bernd Krause - Dean Rostock University Medical Center
08:30 – 10:00	HISTORY AND SCHOOLS • Chair: S. K. Plontke & K. A. Peng
	History of stapes surgery S. K. Plontke; Halle, Germany
	History of otosclerosis surgery: an American perspective K. A. Peng; L.A., United States
	The Fisch school of stapes surgery: has anything changed? T. Linder; Luzern, Switzerland
	The Plester school and what it stands for H. Heumann; Doettingen, Germany
	800 stapes/year – what's special? P. H. Skarżyński; Kajetany, Poland
10:00 – 10:30	OPENING INDUSTRIAL EXHIBITION / BREAK
10:30 – 12:00	HEARRING SESSION • Chair: S. Dazert
	HEARRING Members M. Caversaccio; Bern, Switzerland S. Dazert; Bochum, Germany W. Großmann; Rostock, Germany • M. Kameswaran; Chennai, India R. Mlynski; Rostock, Germany • J. Müller; Munich, Germany G. M. Sprinzl; St. Poelten, Austria HEARRING Guests J. Długaiczek; Zurich, Switzerland • S. Langner; Greifswald, Germany
12:00 – 12:45	ROBOTICS • Chair: M. Caversaccio & S. Dazert
	Robotics for CI in advanced otosclerosis M. Caversaccio; Bern, Switzerland
	The use of a robot in Otology P. Lefebvre; Liège, Belgium <i>online</i>
12:45 – 13:30	INDUSTRIAL EXHIBITION / LUNCH

Thursday – Program

26.06.2025 (Aula, University of Rostock Universitätsplatz 1, 18055 Rostock)

13:30 – 14:45	MIDDLE EAR MECHANICS • Chair: T. Zahnert & A. Huber
	Mechanics of otosclerosis T. Zahnert; Dresden, Germany
	Design and biomaterials used in prostheses for stapes surgery – a retrospective analysis M. P. Milkov; Varna, Bulgarian
	Experience and clinical results with the mAXIS-stapes prosthesis D. Beutner; Goettingen, Germany
	Otosclerosis and stapes motion: Bridging biomechanics and surgical techniques A. Huber; Zurich, Switzerland
14:45 – 15:15	INDUSTRIAL EXHIBITION / BREAK
15:15 – 16:30	CLINICAL OTOSCLEROSIS • Chair: G. E. Jablonski & D. Jacobs
	Advancing the genetic understanding of otosclerosis: From candidate gene studies to GWAS D. Jacobs; Edegem, Belgium
	Postoperativ management after stapes surgery A. Koitschev; Stuttgart, Germany
	Optical coherence tomography and otosclerosis F. Couvreur; Brugge, Belgium
	Medical didactic aspects of otosurgical training C. Offergeld; Freiburg, Germany
18:00 – 23:00	CONGRESS DINNER / CU @ THE BEACH - BOOKED OUT Kurhaus Warnemünde (free shuttle service)

Friday – Program

27.06.2025 (Aula, University of Rostock Universitätsplatz 1, 18055 Rostock)

08:00 – 09:30 **SURGICAL APPROACHES** • Chair: G. Seglina & C. Chiu

Choosing an approach to stapes surgery –
under local or general anaesthesia G. Seglina; Riga, Latvia

Experience in stapes surgery over the last
10 years with Fox laser system - how to
handle the footplate in tricky situations G. M. Sprinzl; St. Poelten, Austria

Stapesplasty – Endoscopic Technique with
Campo Mercandino Piston S. Arauz; Buenos Aires, Argentina

Endoscopic approach in otosclerosis M. M. Khan; Pune, India

Otosclerosis and stapes surgery in Norway
– personal experience and teaching the
next generation C. Chiu; Oslo, Norway

09:30 – 10:00 **STAPES SURGERY – WORLD TABLE** • Chair: R. Mlynski

S. Arauz; Buenos Aires, Argentina • S. Cass; Aurora, United States
A. Huber; Zurich, Switzerland • G. Jablonski; Oslo, Norway
M. Kameswaran; Chennai, India • E. Lesinskas; Vilnius, Lithuania
A. Magele; St. Pölten, Austria • M. P. Milkov; Varna, Bulgarian
J. Müller; Munich, Germany • G. Seglina; Riga, Latvia

10:00 – 10:30 **INDUSTRIAL EXHIBITION / BREAK**

10:30 – 11:15 **AUDIOLOGICAL & VESTIBULAR ISSUES, QOL** • Chair: W. Großmann & S. Cass

Clinical differences between conductive
loss due to otosclerosis and SSCD S. Cass; Aurora, United States

FREE PAPERS

Single-blinded, randomized, monocentric
study trial on the use of two different piston
diameters for stapesplasty with a stapes
prosthesis with a superelastic Nitinol-Clip A. Gey; Halle, Germany

Persistent stapedia artery – case report A. Kumorova; Ružomberok, Slovakia

Friday – Program

27.06.2025 (Aula, University of Rostock Universitätsplatz 1, 18055 Rostock)

11:15 – 12:00 **AUDIOLOGICAL STANDARDS – ROUND TABLE** • Chair: F. Schmidt

Subjective audiometry of stapedia function F. Schmidt; Rostock, Germany

Overview about bone conducted hearing aids for
conductive hearing loss T. Rahne; Halle, Germany
- *Video presentation*

Effect of middle ear lesion on hearing by bone
conduction S. Stenfelt; Linköping, Sweden

Challenges and solutions of fitting cochlear
implants after ossification T. Rader; Munich, Germany

Prediction of hearing outcomes in stapes surgery:
assessment of surgical parameters J. H. Sim; Zurich, Switzerland

12:00 – 12:45 **QUALITY OF LIFE – ROUND TABLE** • Chair: N. Weiss

Health related quality of life and otosclerosis N. Weiss; Munich, Germany

Revision surgery and indication for malleostapedo-
tomy: What problems arise (incl. prosthesis lengths
and design of new prostheses) T. Linder; Luzern, Switzerland

Postoperative dizziness and vertigo after stapesplasty J. Dlugaczky; Zurich, Switzerland

Quality of life and reported outcome measures M. Neudert; Dresden, Germany

12:45 – 13:45 **INDUSTRIAL EXHIBITION / LUNCH**

13:45 – 15:00 **REVISION SURGERY** • Chair: J. Müller & E. Lesinskas

Revision surgery in otosclerosis J. Müller; Munich, Germany

Stapes (revision) surgery through the ages G. Lehnerdt; Wuppertal, Germany

Stapes revision in 96 patients: Indications,
predictive factors and clinical results S. Schams; Bochum, Germany

Revision stapedotomy: Findings and functional
results E. Lesinskas; Vilnius, Lithuania

Friday – Program

27.06.2025 (Aula, University of Rostock Universitätsplatz 1, 18055 Rostock)

15:00 – 15:30 **INDUSTRIAL EXHIBITION / BREAK**

15:30 – 16:30 **HEARING IMPLANTS AND OTOSCLEROSIS** • Chair: T. Lenarz & J. Gavilán

Cochlear implants in otosclerosis T. Lenarz; Hannover, Germany

Far advanced otosclerosis
– stapedotomy vs hearing aids vs CI M. Kameswaran; Chennai, India

Power stapes – one or two step procedure:
Experiences from the University clinic St.Pölten A. Magele; St. Pölten, Austria

16:30 – 17:45 **SCHOOLS & TEACHING STAPES SURGERY** • Chair: S. van Bonn-Ytrehus & A. Magele

Impact of digital media on teaching S. M. van Bonn-Ytrehus; Rostock, Germany

Regression model analysis of learning curve
effects in stapes surgery B. Spahn; Wuerzburg, Germany

Endoscopic stapedectomy: does oval window
packing matter? Z. Schwam; New York, United States
online

Endoscopic stapes surgery: safety, learning
curve, and benefits for teacher and trainee M. Cosetti; New York, United States
online

The Helms school and implications on
stapes surgery R. Mlynski; Rostock, Germany

17:45 – 18:00 **FAREWELL** • Chair: R. Mlynski & incoming president

Invitation incoming president

18:00 **THE END**
